| A. Knowledge   |   |                                 |   |                         |            |
| <ul style="list-style-type: none"> <li>the student is familiar with the mode-specific legal system of freight forwarding.</li> </ul>   |   |                                 |   |                         |            |
| B. Skills  |   |                                 |   |                         |            |
| <ul style="list-style-type: none"> <li>the student is able to recognize and apply the mode-specific legal rules for freight forwarding tasks.</li> </ul>   |   |                                 |   |                         |            |
| C. Attitudes   |   |                                 |   |                         |            |
| <ul style="list-style-type: none"> <li>the student strives for completeness in the acquisition of knowledge, co-operates with the teacher and other students, is open towards new and innovative ideas, researches, and uses information technology and computing tools for its work.</li> </ul>   |   |                                 |   |                         |            |
| D. Autonomy and Responsibility   |   |                                 |   |                         |            |
| <ul style="list-style-type: none"> <li>the student is sensitive towards the environmental and social aspects of freight forwarding, asks for professional opinions of others, makes responsible decisions in organising the freight forwarding tasks, manages the challenges responsibly.</li> </ul>   |   |                                 |   |                         |            |
| <b>18. Requirements, way to determine a grade (obtain a signature)</b>   |   |                                 |   |                         |            |
| Requirements for signature: fulfilment of the two midterms, report and submission (in approx. 10 pages) of a special topic within freight forwarding. There is a verbal examination at the end of the semester. Weights of requirements in final mark: reporting activity (20%), average of midterms (30%), verbal examination (50%).  |   |                                 |   |                         |            |

---

**19. Opportunity for repeat/retake and delayed completion**

---

There are retakes from 1st and 2nd midterms, the written report can be delayed completed and presented till end of delayed completion period.

---

**20. Learning materials**

---

Bokor, Zoltán (2013) Freight forwarding (in Hungarian). Course book, BME Dept. of Transport Technology and Economics
