

1. Subject name	Forwarding project - 1				
2. Subject name in Hungarian	Szállítmányozási projekt 1				
3. Code	BMEKOKKM338	4. Evaluation type	mid-term grade	5. Credits	4
6. Weekly contact hours	0 (0) Lecture	3 (21) Practice	0 (0) Lab		
7. Curriculum	Logistics Engineering MSc (L)	8. Role	Specialization (sp) at Logistics Engineering MSc (L)		
9. Working hours for fulfilling the requirements of the subject					120
Contact hours	42	Preparation for seminars	0	Homework	42
Reading written materials	36	Midterm preparation	0	Exam preparation	0
10. Department	Department of Transport Technology and Economics				
11. Responsible lecturer	Dr. Török Ádám				
12. Lecturers	Dr. Török Ádám				
13. Prerequisites					
14. Description of lectures					
15. Description of practices					
Recognition and identification of problems of freight forwarding companies through programming examples. Collecting and solving practical problems in logistics using programming methods. Separate preparation and presentation of sample tasks related to business organization problems using presentation techniques. Get to know new and innovative ideas and research.					
16. Description of labortory practices					
17. Learning outcomes					
A. Knowledge <ul style="list-style-type: none">• problematic and modeling of freight forwarding companies B. Skills <ul style="list-style-type: none">• collecting and solving problems with programming methods C. Attitudes <ul style="list-style-type: none">• getting to know new and innovative ideas and research D. Autonomy and Responsibility <ul style="list-style-type: none">• self-discovery of business organization problem					
18. Requirements, way to determine a grade (obtain a signature)					
During the semester 7 small tasks will be published and evaluated. The criterion for the completion of the subject is the acceptance of all small tasks. The semester mark is the average of the marks received for small tasks.					
19. Opportunity for repeat/retake and delayed completion					
Three small tasks can be delayed completed.					
20. Learning materials					
Related national and international scientific literature
