## BMENET userID and BME email address registration:

https://login.bme.hu/en/

## VPN connection set up for remote connection to the BME IP network!

This step is not needed if you use the net from BME IP network!

(About VPN: https://en.wikipedia.org/wiki/Virtual private network)

Login the BMENET website: <u>https://net.bme.hu/ravpn/?lang=en</u> with login with your BMENET userID and corresponding password!

Select a proper software according to your operation system and install it.

## Matlab installation

- 1. This requires BME email address (e.g. myemail@edu.bme.hu.)! If you don't have it, read the first page of this document.
- 2. Register yourself on: https://www.mathworks.com/login
